Description
-------------

Spectacular Limoges porcelain bowl.  
Polychromed and enhanced with fine gold, our porcelain is remarkable for its dimensions and its decoration in strong relief. This one is made of porcelain slip and represents many flowers. Note some gaps on a few petals (see last photos) as well as wear on the gilding, without impact on the aesthetics and completely normal given its age and the use made of this object. This bowl can also be used as a vase, centerpiece, planter etc....
