

Napoleon III Sellette Column - 19th Century - In Wood And Ceramic.

950 EUR

Period : 19th century

Condition : Très bon état

Material : Painted wood

Width : base : 26cm x 26cm

Height : 85cm

Description

Charming and astonishing saddle column from the Napoleon III period in black painted wood and decorated in its shaft with a glazed and flowered ceramic cylinder which could be attributed to the Lunéville earthenware factory. The flowery charm of this part contrasts poetically with the sobriety of this column and gives it a lot of brilliance and romantic originality.
