Description

Quick description

Old Sicilian cart panel, popular art around 1800.

Probably the rear element of the cart, presenting a young painted couple surrounded by flowers.

Presence of a beautiful work of sculpture in low relief on the top of the panel.

Original wrought iron, the crack on the right side has been reinforced so as not to move.

Pretty patina of time, slightly cleaned and protected by a veil of wax.

Very decorative piece.

Dimensions

102cm wide, 36cm high, the wooden panel is 2cm thick.
