Old Round Rose Cut Diamond Ring

1 500 EUR

Period : 20th century

Condition : Très bon état

Material : Gold

Description

Old ring in a round shape and set with rose-cut diamonds, the one in the center in a claw setting and those around it on a chiseled decoration. The ring is a round wire and the setting is openwork.Period: 20th centuryMain material: pink gold, 750 thousandths, 18 carats and platinum.Total weight of the main diamond: approximately 0.08 carats.Head Diameter: Approx. 10.3mm, Thickness: Approx. 6mm, Ring to Ring Width: Approx. 1.2mm.Net weight: approximately 1.8g.Antique jewelry - Work from the 1900s.Our opinion: Likely transformation of an old motif into diamonds, this old diamond ring will make a lovely engagement ring.Possible size adjustment, contact us.To find out moreDiscover the product sheet for this Antique Round Rose Cut Diamond Ring online.Find all our antique
