Description

Very pretty pair of silver table ends, transformable into candlesticks, goldsmith Aucoc. 1st grade silver, goldsmith's mark and Minerva hallmark. Goldsmith A. Aucoc (1856/1911). Louis XV style, multi-lobed base decorated with garland and rolled foliage, was triangular, stylized from which three arms of lights emerge. The upper part is removable and allows the candelabra to be transformed into a candle holder. Weight: 3795 gr. Total height: 33 cm. Height of the candle holder alone: 28 cm. Center distance diameter: 17 cm. Base diameter: 14.5 cm. Good condition. Very elegant, sober model, with beautiful proportions (not too high and not bulky). Very practical thanks to the candelabra or candle holder combination depending on the circumstances.
