

"portrait Of Five Children", Entourage Of Adriaen Van Der Werff, 17th Century.

1 800 EUR

Signature : entourage de Adriaen van der Werff

Period : 17th century

Condition : Bon état

Material : Oil painting

Width : 51cm

Height : 45cm

#### Description

the painting measures 29cm by 37cm and its lacquered and gilded wooden frame 45cm by 51cm. The painting represents the siblings of an aristocratic family. The five brothers surround their sister installed on a chariot pulled by a pony. This type of representation is quite common at this time. This painting can be compared to the production of the painter Adrian Van Der Werff.
