

Large Blown Glass Gardener's Bell

280 EUR

Period : 19th century

Condition : Etat d'usage

Material : Glass

Description

Free delivery in Paris surroundings Beautiful and rare old garden bell, salad bell. Late 19th century. In blown glass (slightly green color) of good thickness. Dimensions: height of 37 cm and diameter at the base of 40 cm. In good general condition, the glass has whitened over time and has become quite opaque (see photos)...which however gives it a very pretty patina. cooking defects in the setting which is nevertheless perfectly solid
