### Description

Double portrait representing two young children, a young girl holding a baby on her knees, both are delicately dressed, they are presented in a countryside landscape English school from the end of the 18th century, attributed to George Romney 1734 1802 known for the great quality and delicacy of his portraits This one is a "good" example, great freshness of the colors, delicacy of the clothes, the attitude of the faces and the characters, the material and the touch are reminiscent of the work of the famous painter English We can find it in the portraits of: Juliana Willoughby, the Hartley children, the Horsley children,.... Our portrait is presented in very good condition, on its old stretcher, without frame  
Beautiful portrait
