Louis XIII Style Bench Sofa In Native Wood - 19th - Spain

1 900 EUR

Period : 19th century

Condition : Bon état

Material : Solid wood

Length : 188

Height : 116

Depth : 72

Description

Superb Louis XIII style native wood bench. Twisted columns decorated with spinning tops on the backrest, armrests ending in balls, legs joined by a spar spacer. The sofa is covered in a yellow fabric with a Haute Epoque animal motif in foliage like the initials of medieval manuscripts. Very beautiful decorative piece of furniture. Probably Spain, 19th century.
