### Description

Pair of lamps whose feet signed L.Drimmer are in green ceramic.

They are worked with three shades of green and the top of the foot is black.

The lampshades are beige, gold on the metal part and the edge of the top and bottom contours are also in green fabric.

We note some foxing on the lampshades.

French work from the second half of the 20th century made by Louis Drimmer, lighting manufacturer from 1945.

All our lighting fixtures are entirely restored by our workshop, both in terms of the structure, the pendants, and the electricity and are therefore in perfect working and presentation condition.

Bulbs to use : large screw bases, type e27.
