

Pair Of 19th Century Paris Porcelain Vases

650 EUR

Period : 19th century

Condition : Très bon état

Material : Porcelain

Description

Superb and elegant pair of early 19th century porcelain vases. They rest on a square base topped with a golden foot. The central barrel is decorated with palmettes and golden motifs as well as macarons in which flowers are represented all on a blue background. The narrowed collar is golden and each side is decorated with golden lions. Very decorative quality work in excellent condition.
