

Diana The Huntress At Rest

1 900 EUR

Period : 19th century

Condition : Très bon état

Material : Bronze

Length : 23 cm

Height : 38 cm

Description

Magnificent bronze sculpture representing the goddess Diana resting after hunting. Seated in an elegant attitude on a curule, draped in the antique style, she holds her bow and quiver beside her. Remarkably realistic sculpture, characterized by a very beautiful original warm patina. Signed J. Mercier on the terrace. Very good state.
