Description

Large Louis XVI style staircase chandelier or lantern in bronze with gilded patina. It is a cage chandelier with 5 lights in its center. The cage part of the chandelier is spectacularly designed with mascarons, piastre frieze, scaled dome... A large chain allows this chandelier to be suspended from a staircase or a high ceiling. This is a production from the 70s and 80s with a lower quality of carving than older productions, but which is still interesting for its originality and its very decorative dimensions. Delivery by carrier, 100 euros in France, 200 euros in the EU and 600 euros rest of the world.
