Description

We present for sale this important framed landscape from the Barbizon school (for us) which is signed by Georges HUBER 1904 unless the landscape represented is from Normandy. It depicts a farm in a landscape with cackling chickens. This painting is rather impressive in its size. We cannot find any trace of this artist but he cannot in any case be an amateur painter, hence the low price for a painting of this importance. (E24) Ref. ..... UB 611
