

Soliflore Pottery Sculpture By Bizen From Mori Taiga, Japan

1 110 EUR

Signature : Taiga Mori

Period : 20th century

Condition : Parfait état

Material : Terracotta

Diameter : 11

Height : 30

Description

Soliflore made by artist Mori Taiga in Bizen, Japan. We recognize the initial shape of the fresh clay stretched then lightly screwed and the clear hand movement to slice the material and release its edges like the thorns of a rosebush. The final result is particularly glazed with quite contrasting shades ranging from gray to reddish. The vase was pierced for use as a soliflore.

CIRCA: 2022 (21st century)
