1 400 EUR

Signature : Shibuta Toshiaki

Period : 20th century

Condition : Très bon état

Material : Terracotta

Width : 23

Height : 23

Depth : 19

Description

A very beautiful Bizen pottery vase made by the artist Shibuta Toshiaki, in the shape of a flattened sphere and an opening in the upper part of a triangular shape, clearly cut with a confident gesture. We find a very beautiful gradient from brown to orange-red. The surface is very textured and strongly resembles the surface of a planet.Learn more
