Description

Solid pair of large Louis XIII style landiers in wrought iron of Périgord origin. The front legs are sculpted in the forge. The rotisserie supports are mobile and can rotate around the axis. The bowl supports are very ornate and chiseled with hatching as on the feet. Everything is cold riveted as was done at that time. Note some usual restorations: 1 bowl support is not original (19th century restoration). Ends of feet at the front riveted and cold welded. Together very elegant for a beautiful fireplace. long: 59.7 cm width: 27.3 cm d bowl: 18.8 cm h log holder: 7.1 cm
