### Description

Antique set of rustic hunting knives with chamois horn handles

A rare antique set of six knives. The handles are made of real chamois horn and their end is decorated with a silver button. The blades are made of galvanized metal. Made in Germany in the late 19th century. This type of cutlery was used by hunters or traveling merchants when traveling. Good condition with traces of use due to age.

This item contains animal parts that belong to non-threatened, non-endangered animals and comply with US Fish & Wildlife regulations. They are not included in CITES Appendices I and II. Our international shipments respect the laws of

artfour is an owner-managed trading company selling Black Forest wooden sculptures, antler furniture and an impressive variety of unique decorative items. Our antiques are displayed in a century-old barn in southern Germany, which we renovated ourselves. Antiques have been our passion since the 1980s. We ship worldwide, perfectly packaged and with a money back guarantee. This allows us to be your preferred partner for the Black Forest and antique art.
