

## Antique Mirror 19th Century Period

1 500 EUR

Period : 19th century

Condition : Très bon état

Material : Gilted wood

### Description

Neapolitan Louis Philippe mirror from the first half of the 19th century, entirely sculpted, carved and gilded with gold leaf.

The mirror looks like a triumph of carved wood with a movement that develops from bottom to top where it is possible to appreciate all its finesse.

The cymatium is a succession of rocaille scrolls.

Two feet having a roccailles motif contribute to the elegance and refinement of this splendid object.

The mirror is made of mercury salt glass and is contemporary with the wooden frame.
