Height : 14 centimètres

Description

A series of six silver-plated bells For plates or dishes From the goldsmith EUROPE FÉLIX - TOULOUSE- FRANCE From the 1940s/50s A simple grip frieze... In good silvering condition (with minor wear on some taken) With on one, a crack (see the 2 photos) They have wear from use (scratches and points of oxidation) And on others a few dents, which a glider goldsmith could easily improve... Good on...! All these imperfections do not hinder use in any way. In general view we do not notice their defects. It is to be clear that I am showing you everything... Note that in series the bells are rare... It is often in large establishments that there could be none in bourgeois houses or where a larger one... Weight...2 kilos 721 gr for 3 and 2 kilos 695 gr for the other 3, i.e. a total of 5 kilos 416
