

## Candlestick In Turned And Carved Polychrome And Gilded Wood On An Almond Green Background

350 EUR

Period : 19th century

Condition : Bon état

Material : Gilded wood

Diameter : a la base : 21,5

Height : 73,5 cm

### Description

Candle stick in turned, carved and gilded wood on an almond green background. The bobèche rests on a gadrooned crown atop a fluted shaft, cushioned by a trio of acanthus. The shaft is extended by a second inverted gadrooned crown, and ends on a tetrahedron ending in three volutes resting on shell feet.
