Height : 81.5

Depth : 37

### Description

Small piece of furniture in solid mahogany and veneered in Directoire style. It opens in a belt with a moiré mahogany drawer, with a cup button, inlaid with lemon tree fillets. This small piece of furniture also has a door, with a cup button, decorated with a composition of mother-of-pearl, light wood and bronze patterns. The central projecting part of this door is made of vertical wire while the other two parts are made of horizontal wire. The interior offers a space completely dressed in earthenware. The lower part of the body has a protruding rod on the three visible sides. The feet are sheathed and end in brass shoes. This small piece of furniture is topped with Pyrenees cherry marble. Whether used as a bedside, living room or side table, this small piece of furniture will appeal with its
