

Painted Canvas Representing Chimpanzees. Contemporary Work.

3 200 EUR

Period : 20th century

Condition : Très bon état

Material : Wool

Description

Canvas painted with natural pigments on linen, representing 4 chimpanzees on the branches of a tree and on a foliage background. Chopsticks made from copper foil.

Work of contemporary artists.

Dimensions: H 220 x L 120 cm

Reference: LS59711080E

Raw linen canvas hand painted with natural pigments and golden patterns made with copper leaf. Canvas stretched using two wooden sticks, the bottom one of which is removable, allowing it to be rolled up for transport.
