Description

Pretty Daum art-deco vase with hot-applied handles. A typical piece from this period with this ovoid shape, granite decoration, acid-etched with 4 friezes which contrast with the shiny glass. Beautiful, slightly tangy yellow color. The whole is enhanced by 2 hot-applied and notched handles on the side of the vase. Very clean and stylish. 19 cm high and 22 cm in diameter with handles, signed "Daum "croix de lorraine" Nancy France" at the base; Very good condition (micro-scratches from use commensurate with age). Around 1925-1930. A timeless art-deco piece, to place on an old or modern piece of furniture.
