### Description

Old pair of wall lights in gold metal and glass decoration, from the 80s produced by SCE in France. art deco look and gold semi-circle deflector, The interior of the deflector is in slightly patinated white metal, with a screw socket. Manufacturer's label present on each wall light. The thick transparent safety glass parts are very refined. They are supported by a threaded rod inside the deflector, which gives them a nice movement when you touch the assembly but the vertical rods remain very fixed once the wall light is placed and fixed. Very good general condition, the gold is barely scratched, Electricity functional. - Dimensions - 140 x d 20 x h 17 cm.
