Description

Our large wood, carved in strong relief and with beautiful gilding, probably comes from above the door of a chapel or sacristy. This rich work from the end of the 18th century is part of a vast scallop shell, a symbol of resurrection. She receives in her bosom, a heart of Glory decorated with a cross. A decoration of rockeries with fruits and acanthus leaves enriches the whole. Large dimensions of 90 cm by 94 and 14 cm deep. Good condition but note some gaps
