Description

OJ Perrin (attributed to). Ring in 18K (750°/00) yellow gold composed of a wide ring holding a mobile gadrooned motif French work from the 1990s Signature partly erased Finger size (changeable upon quote): 54-55 Gross weight: 14.02 g Know you the OJ Perrin house? Created in 1947 in Paris alongside the biggest names on Place Vendôme, the house has never stopped producing exceptional pieces in both jewelry and fine jewelry. Our example is representative of a collection from the 1990s drawing its inspiration from exoticism.
