Period : 19th century

Condition : Bon état

Material : Other

Diameter : 8

Height : 3,5

Description

Straw marquetry box case, 19th century. Round in shape, geometric element around the edge, it has a very finely executed decoration on the top. We see a lighthouse in the foreground, a few houses and a sailboat in the background. Very good state of conservation of the marquetry despite some slight lack of straw in places.
