## Place Alexandre Dumas - 3rd Stop Old Enameled Sheet Metal Street Sign City Of Lille

300 EUR

Period : 20th century

Condition : Très bon état

Material : Painted metal

Length : 50

Width : 30

Description
-------------

Place ALEXANDRE DUMAS - 3rd ARRt.

Old street sign in thick enameled sheet metal with small edges 300 x 500 mm.

Fixing holes in the 4 corners + 3 small holes around the 3rd arrondissement (perhaps later to put a city logo instead?).

Origin: City of Lille.

Slight chips on the edges, otherwise very good condition.

This street sign does not come from a wild dropout but from the sale of all the old street signs in the city of Lille when they were changed a few years ago.

Very beautiful, very decorative object, essential for any self-respecting Dumasian library!
