

Carved Sofa With Golden Parts

2 500 EUR

Period : 19th century

Condition : Bon état

Material : Walnut

Description

Beautiful sofa in carved walnut wood with gilded parts.

The carvings present on the entire sofa are of extraordinary refinement, with finely elaborate details that extend to all elements, including finely shaped armrests and legs, creating a visual harmony in every part of the armchair. Furniture that belonged to the Strozzi family, as can be seen from the coat of arms in the center of the furniture.

4 armchairs available together with the sofa.

Florence capital period, 1875.
