Description

Bronze 10.5 x 6 cm, height 6 cm. In this small space a sculptor's delirium, a mixture of eras and civilizations where Egypt rubs shoulders with Asia, unreal proportions, sex everywhere... A hand holds a snake, here a toad, there a nut sheltering three women, a tiny naked woman lying on an eagle with outstretched wings spying on the top of a leaf, everything seems disproportionate and fascinating. Tiny and minute details, particularly realistic, patina of ancient origin. Price nonnegotiable. Payment by check or bank transfer. Shipping costs 12 euros Registered Colissimo or Mondial Relay for France, other countries contact me.
