Description

Exceptional Chinese porcelain teapot. Probably Indochina combines quality and decor and its characteristic blue! In very good condition, woven straw basket with two small bowls and filter after the teapot which is older than the accessories! 15 cm in height by 16 cm in width and 12 cm in diameter for the teapot. And for the basket 28 cm long by 22 cm high and 19 wide. Very beautiful piece obviously! Notice to collectors and other lovers of Asian porcelain! Gorgeous !
