Description

This bench of 13 fish lemon rest / knife holder will pleasantly complement your table with a touch of originality during your fish meals. It will allow you to easily place the lemon slices near each guest or serve as a knife holder. Its very luminous material, opalescent glass with rich blue and pink reflections as well as its pressed-molded decoration of fish with wavelets in the hollow part to represent the sea, typical of the Art Deco era and very current will delight you. They will make your table unique, refined and beautiful! Each piece is signed under the base "Costebelle France" molded in relief. The brand, well known to lovers of glassware from the Art Deco era, is referenced in the "Dictionary of Master Glassmakers - brands and signatures" by Philippe Olland (Editions Faton). Dimensions: 12 cm x 6
