

Large Square Protractor In Nickel Silver By Morin

220 EUR

Signature : Morin

Period : 20th century

Condition : Bon état

Material : Brass

Description

Rare large square protractor signed "H. Morin 11 rue Dulong Paris". This model, quite rare, is described: "Square protractor, for mine or surface plans on graph paper" (see the last photo). Interesting model of a strictly square protractor of good size: 22cm sides. Old traces of cleaning.
