# Christofle: Complete Fish Service

980 EUR

Period : 20th century

Condition : Très bon état

Material : Silver metal

## Description

Christofle Albi model fish service including 12 individual forks, 12 individual knives plus the fork and serving knife. Impeccable condition, close to new. The set is presented in the original Christofle green box. Note the presence of Christofle anti-oxidation felt attached to the box. Albi is one of the most sober models from Christofle which is suitable for all tables, classic or modern. The price, compared to the new price (2 520 EUR without the box), is quite advantageous given the condition and the presence of the box.
