### Description

Large lacquered lantern - Napoleon III Splendid and original iron lantern lacquered in green with yellow profiles, the lacquering has a bit of color loss here and there, but this detail makes the object more fascinating. The opening is lateral on the left, equipped with a beautiful arched glass. On the top there is a perforated cylinder to allow heat to escape and to circulate air. A large candle can be placed in the internal base, the back wall has a reflective round, thus the brightness has a greater yield. The lantern was born with a hook for convenient hanging. Era: Napoleon III  
Measurements: cm. 24 x 13 - Height cm. 46
