Description

Magnificent large bulb vase ending in a narrow neck with flat open lips. It is painted with a beautiful decoration presenting a Mediterranean landscape with migratory birds, trees, cypresses, umbrella pines, flowers and wisteria. Painted and enameled glass, good state of conservation, intact see photos. Joma Montreuil Manufacture, Art Deco period, circa 1925/1935 Dimensions: 32 between 1925 and 1940. This factory also had a store presenting these pieces at 1, rue St Laurent in Paris in the 10th arrondissement. The glassworks produced vases, sprays, toilettries, powder boxes, buckets of biscuits in white or enameled cold or hot lacquered glass.
