### Description

First edition of the PK20 lounge chair, a graceful, elegant masterpiece created in 1968 by Danish designer Poul Kjaerholm for Ejvind Kold Christensen. It consists of an aesthetic cantilever structure in mat chromed steel with leather seat and headrest upholstery, which has been professionally redone by previous owner, in premium aniline cognac leather. Small traces of use and light patina of time, very good overall condition. Signed on the structure under the seat. Seat height: 34cm.
