Description

Discover this remarkable wooden box from the 19th century, a piece that testifies to the exceptional craftsmanship of the time, influenced by Asian art. With its imposing dimensions (22 cm high, 27 cm long and 15 cm wide), this box captivates with its presence and rustic charm. Every detail of this box tells a story, from the richness of the wood used to its carefully crafted construction. The carved designs on its surface evoke a bygone era, adding a touch of authenticity and character to this unique piece. In addition, pearly parts inlaid in certain parts of the box give it additional elegance, catching the light in a subtle and captivating way, while recalling the ornamentation techniques of Asian art.
