Description

Discover this elegant pair of 20th century porcelain vases, inspired by Asian art and decorated with water lily motifs. With their 29 cm height, these vases captivate with their finesse and timeless beauty. Each vase is a work of art in itself, showcasing the delicacy of the porcelain and the richness of the details. The water lily patterns, symbols of purity and harmony, add a touch of grace and poetry to these unique pieces.

Whether you are a fan of Asian art, a porcelain collector or simply looking for a refined decoration for your interior, this pair of vases will seduce you with its timeless charm. Please do not hesitate to contact us for more information on this beautiful pair of porcelain vases with water lily design.
