Description

Discover this remarkable large 20th century table, not only a functional piece of furniture, but also a collector's item that testifies to the craftsmanship and design of its era, with influences from Asian art. Measuring 90cm long, 83cm wide and 44cm high, this captivating piece is a superb example of the aesthetics and robustness characteristic of this period. Made with the avant-garde techniques of the time, this table features careful plywood which gives it a smooth and uniform surface, highlighting the natural beauty of the wood. Visible metal brackets add an element of industrial character, reflecting the design trends of the time. As a collectible, this table embodies the history and evolution of furniture during the 20th century, with a distinct touch of Asian art. Its vintage look and quality craftsmanship make it
