

Pair Of Lamps In Wood And Golden Stucco, Napoleon 3 Period

950 EUR

Period : 19th century

Condition : Etat d'usage

Material : Gilted wood

Height : 78cm

Description

Beautiful pair of 19th century lamp bases in wood and gilded stucco in a baluster shape, the handles form a fall of foliage. The upper brass part is adjustable in height to be able to attach a lampshade. The whole is in used condition, I would like to point out some stucco breaks and missing parts in places. Height of the golden feet: 45cm Total height adjusted to the lowest: 78cm Width at the level of the handles: 25cm Format of the square bases: 15cm x 15cm Free transport for Paris and the small crown Contact me for transport in France and around the world.
