

Painting With Bouquet Of Flowers In The Taste Of The 17th Century Or Dutch Golden Age

600 EUR

Period : 20th century

Condition : Parfait état

Material : Oil painting

Width : 85 cm

Height : 107 cm

Description

This still life is a reproduction mounted on canvas in a gold stuccoed and black lacquered wooden frame bearing the S.Lee signature.

We can see putti on the vase which contains an exuberance of tulips, peonies, hyacinths, roses... Very beautiful effect and freshness of colors.
