Material : Terracotta

Length : christ 60 / console 55 / chapiteau 50 / coupole 45

Height : 160 / 60/ 28 / 70

Depth : 50 / 50 / 50 /45

### Description

Beautiful sculptural ensemble representing Christ standing on a cloud resting on a wall console, topped with a capital on which is presented a column representing a dome in imitation of a preaching turret... Bears inscriptions in hollow in a band on the base of Christ. The whole thing is sculpted in Vosges granite to replace this one! Comes from an Alsatian church. Note that the total height is 318 cm excluding the spacing between Christ and the dome!!!
