Description

This pair of candlesticks is made of pine wood, expertly carved to create detailed decorative patterns, which add a touch of sophistication. The golden gold leaf finish brings brightness and charm to the overall design of the candlesticks. The golden effect creates a pleasant contrast with the dark wood, ensuring a visually appealing result. The shape of the candlesticks belongs to the Empire style, characterized by sinuous lines and clean lines. The classic amphora shape is enriched by curled handles, which add a unique decorative element. These centerpiece candlesticks are perfect for embellishing any environment, thanks to their timeless elegance. Furthermore, they can be used as a base to create lampshades, transforming candlesticks into splendid table lamps. Ideal for adding a touch of
