### Description

Pair of iron candle holder arms - Louis XVI

Splendid pair of wrought iron wall arms, richly decorated with leaf motifs. They are lacquered green with golden elements, they need a good cleaning. They were placed in a private chapel or church, as they bear the initials A M (Ave Maria) in the center. Under the candle holder, there is the pulley. Excellent condition, with no defects.

Period: Louis XVI Measurements: cm. 55 - height cm. 53
