Description

Large designer bookcase by Kim Moltzer made in the 1970s. The rectangular bookcase takes up the geometric shapes appreciated by the designer. It has eight smoked glass shelves in a large gilded brass structure. The black lacquered wooden base opens with three leaves onto storage space. This large, high-quality piece of furniture can serve as a room divider... Read more.Condition report: In good general condition. Wear over time on the brass and black lacquered wood.LEARN MORE
