### Description

Louis XV chest of drawers from the 18th century in carved and molded solid walnut wood. Very interesting chest of drawers with three drawers in two rows. Magnificent original patina enhanced by the sculpture of the drawers and exceptional size, width 79 cm depth 46 cm. Note the exceptional original condition and the total absence of restoration. Possible origin Provence or Île de France for the quality of the sculpture of the drawers. Adorable chest of drawers with its extremely rare proportions allowing this very pretty piece of furniture to be positioned in a modern interior as in a classic home
