Description
-------------

Lovely two-tone 18kt gold ring set with 24 brilliants.

The upper part is in the shape of an aqueduct in white gold and beneath it we find the same motif in yellow gold.

Very beautiful work of precision in its execution and originality.

This ring was created in the 70s-80s.

We find 2 hallmarks inside the ring, one 750 for the title and the second with the initials SE, GE for the goldsmith.
