

Chinese Short Sword Jian Type Sheath In Shagreen

480 EUR

Period : 20th century

Condition : Etat d'usage

Material : Shagreen

Length : 52 cm

Width : 6 cm

Description

Beautiful Chinese Jian type short sword. The scabbard is made of Galuchat and is made up of brass elements. Beautiful decor of shou and bat symbols. The brass elements must be reattached as well as the button. Crack at the shagreen on one side of the scabbard where the clip is normally positioned. The blade is in good condition. Delivery in France: EUR20
